The world's most successful musical theatre group, **Collabro**, are set to release their highly anticipated fourth studio album '*Road to the Royal Albert Hall*' on 31st August 2018, through their own label **Peak Productions Ltd.**

The new release marks their second recorded offering as a quartet - exactly 4 years after they won **Britain's Got Talent** - Jamie, Matt, Michael and Tom feel excited to release the record, "*We feel this, our fourth album, signifies how far we have come in the four years since winning BGT. The confidence with which we've approached this new material, and the creative control we've had, makes this album so very special to us. Filling venues as prestigious and grand as the Royal Albert Hall affirms that our delivery of Musical Theatre material is as relevant as it's ever been. We are excited to present this album to a live audience on our UK tour.*"

A hand-picked selection of favourites, 'Road to the Royal Albert Hall' features musical classics from stage and screen that includes 'On My Own' from **Les Misérables**, 'Maria' from **West Side Story**, 'Defying Gravity' from **Wicked** and many more musical classics from the likes of **Billy Elliot** and **Evita**. The boys have even included 'Never Enough' from the movie musical phenomenon **The Greatest Showman**.

Collabro's first album '*Stars*' charted at No. 1 knocking **Ed Sheeran** off his record-breaking streak. The album became the fastest selling debut album of 2014. Their second album '*Act Two*' followed its predecessors' success, entering the UK charts at No. 2 in the summer of 2015, again becoming one of that year's biggest selling records. '*Home*' in 2017 charted at Number 7, giving the boys their third top 10 record.

The group have sung in front of royalty at the **Royal Variety Performance**, **V.E Day** and **Windsor Castle**, and performed at huge venues in front of thousands at the **London O2 Arena** and **Wembley Stadium**. In addition to their success in the UK, where they completed three major sell-out tours with headline dates at the **London Palladium** and the **Royal Albert Hall**, they band have also performed multiple times to 30 million viewers on **Music Station** and **Sukkiri** in Japan, as well as completing multiple international tours and gaining a big fan base in the US. Touring with **Sir Cliff Richard** in the summer of 2017 and an upcoming tour with **Barry Manilow** in autumn of 2018 further affirms their growing fan base and status in the Industry.

COLLABRO met in 2014 above a pub in London for their first rehearsal, just a month before the newly formed band went on to rouse the whole of the **Hammersmith Apollo** into a standing ovation during their debut public live performance of 'Stars' for their audition for **Britain's Got Talent**. Having won their semi-final heat with over 63% of the votes, they then won the overall competition with one of the biggest majorities ever and subsequently signed to **Simon Cowell's** label **Syco**, becoming label mates with the likes of **One Direction, Little Mix, Susan Boyle** and **Il Divo**.

The band are excited to announce a special live show at **The Other Palace** in London on 31st August 2018, where they will debut the entire album for the very first time in front of their solid fan base - or as they like to call them, '*Collaborators* - who have loyally supported the boys along the way.
