ANNOUNCES EUROPEAN TOUR

**16<sup>th</sup> February - March 18<sup>th</sup> 2022**

Celebrated singer-songwriter **Tori Amos** unveils European Tour Dates including UK dates in **London, Manchester** and **Glasgow** in February and March 2022 in support of her as yet untitled, highly anticipated new album coming towards the end of this year.

Since the release of her first, career-defining solo album *Little Earthquakes*, and her number 1 album *Under The Pink* Tori Amos has been one of the music industry's most enduring and ingenious artists, with three top 10 albums and the Global smash hit single *Professional Widow* which remained in the Top 40 for an impressive 15 weeks, continuing to rock clubland for over a decade. Tori has transcended from commercial pop success to using her music to tackle serious issues around female gender, subsequently paving the way for a generation of young female activist popstars. From her visceral depiction of sexual assault in "Me and a Gun" & her post-9/11 album *Scarlet's Walk* to her decidedly feminist stage musical *The Light Princess*, her work has never shied away from intermingling the personal with the political. Her most recent studio album, *Native Invader* (2017) was formed out of her desire to prove that "We can out-create the destructiveness that is all around us"

A noted humanitarian, Tori was the first public voice for **RAINN** (Rape, Abuse, and Incest National Network), which is the United States' largest anti-sexual assault organization, and continues to be member of its National Leadership Council.

Tori Amos' European tour kicks off on **February 16<sup>th</sup>** in Berlin, with dates across Europe throughout February and March. She arrives in the UK on 11<sup>th</sup> March for 2 nights at the prestigious London Palladium followed by Glasgow's O2 Academy on the 14<sup>th</sup> and Manchester's O2 Apollo on the 15<sup>th</sup>
